

## **ames supports innovation Festival in Frankfurt**

**ames supports the biennial B3 Digital from 15 to 23 October 2022 in Frankfurt am Main. As a cross-media video festival with film screenings, exhibitions, conference and workshop programmes, it is aimed at working professionals and young talents from the creative and media industries, business, politics, science and the general public. In the outdoor area of the festival centre, the House of Creativity and Innovation in Bethmannhof, visitors can relax on colourful furniture from the Caribe series.**

**The interior features the iconic Cartagenas Reina Chairs of the current limited edition, including side tables, which were launched during this year's Salone del Mobile in Milan.**
